WORK EXPERIENCE

Creative Director/ Design Director

Omquest Design LLC - Hollywood, FL

Working with architects and developers for the creation and planning for 2D and 3D projects in South Florida for sales proposals. Designing and rendering interior and exterior spaces for commercial, hospitality and residential buildings.

The company has worked with Hollywood CRA to redevelop and enhanced the beach area and downtown Hollywood.

My work has helped to increase the sales for customers 100 %

My skills used are 3D Max/ V-Ray, Sketch up /Podium, AutoCAD, Photoshop and other different computer drawing programs.

Architectural Digital Designer

Frank Costoya Architect, Inc. - 2010 to 2010

Rendering and project presentations. Developing projects from AutoCAD to 3D Photorealistic renderings for sales proposal.

Architectural Digital Designer

Pavlik Design Team - Fort Lauderdale, FL - 2006 to 2007

Developing interior and exterior digital layouts and renderings, used for retail and commercial spaces.

Free-lance Architect and Digital Designer

Redesigning - Hollywood, FL - 2000 to 2006

Digital Interior Design Designer

S & B Interiors, Inc. - Miami, FL - 2000 to 2000

Conceptualizing interior design projects drew and rendered in 3-D with AutoCAD.

Free-lance Architect

Mexico City - Sunny Isles Beach, FL - 1994 to 1999

I was in charge of presentations and renderings. Designing, renovating, and selling private residences.

Project Manager and Designer

M. C. Aguilar Construcciones, S.A - Ciudad de México, D. F. - 1985 to 1994

Mexico City. Managing different levels of the entire architectural process in a team with other directors; contributing in the development and success of the company by conceptualizing projects and supervising construction of restaurants, night clubs, apartment & office buildings, new residential and multi-family housing projects.
