Professional Experience

2/2009 - present

Photography and Photoshop instructor

Broward County Public Schools - Fort Lauderdale, FL

Created a curriculum of artistic and technical camera lessons for adult students and teens. Classes include hands-on instruction, class critiques, Photoshop and field trips for practical application of the classroom lessons.

6/2022 - present

Photography Instructor

City of Sunrise - Sunrise, FL

Created and instructed camera photography lessons at the City of Sunrise Senior Center for seniors age 55 and over in an engaging and creative community environment. Students gained knowledge of how to use their camera phone settings, different lighting techniques as well as editing apps such as Photoshop and Snapseed.
